#### **ABOUT CFY**

CFY is the nation's leader in helping students in low-income communities, together with their teachers and families, harness the power of digital learning to improve educational outcomes.

Since 1999, CFY has implemented high-impact interventions for middle school students in New York City, Philadelphia, Atlanta, Los Angeles and the San Francisco Bay Area. CFY's Digital Learning Program provides bilingual training to students, teachers, and parents to help them harness the power of digital learning both in school and beyond in order to extend the learning day. Families also receive a Home Learning Center loaded with selected educational software; online family learning services via CFY's Learning Platform; information about affordable broadband options; and 24x7 bilingual support. Studies confirm that CFY's program has significantly improved students' test scores and class effort and have increased parents' confidence and involvement.

Launched as a pilot in October 2010, CFY's Learning Platform PowerMyLearning.com has seen more than 2 million pageviews to date without advertising or promotion. It has received very positive user feedback and is garnering serious attention from major national funders across the country. In fact, CFY was recently awarded a major investment from one of the nation's premier education foundations to dramatically improve the content and features of our Learning Platform. Given the significant financial support we have been able to secure, and given our experience to date, CFY believes that our Learning Platform can be a key tool for helping to drive effective adoption and use of digital learning activities by teachers, parents, and students around the country.

To extend the impact of its work and strengthen the home learning field, CFY also operates an Affiliate Network of more than 30 organizations in more than 20 states and the District of Columbia. For more information, please visit [www.cfy.org](http://www.cfy.org).

## **POSITION DESCRIPTION**

CFY Family Trainers are responsible for training CFY's families how to effectively use their CFY home learning center to strengthen core academic skills. The focus of the training is on helping parents feel more empowered to help their children do better in school. On training days Family Trainers provide two three-hour workshops, with up to fifteen families (over 30 people) per workshop.

CFY provides new Family Trainers with in-depth training prior to being the sole trainer in a workshop. Family Trainers receive ongoing coaching and feedback from CFY Training Coaches in order to ensure high-quality training at all times.

The time commitment for Saturday training is approximately eight and a half hours (8:30am – 5:00pm), including prep time, teaching time, and lunch – all of which is paid. CFY partner schools are located in New York City (Brooklyn, Queens, Manhattan, Bronx and Staten Island); training locations vary throughout the year. Family Trainers should be able to commit to working two Saturdays per month between October and May (there is often the opportunity to work three Saturdays per month if desired).

## **KEY RESPONSIBILITIES**

CFY Family Trainers are responsible for:

- Providing an engaging presentation of CFY's curriculum.
- Following CFY's curriculum and workshop pacing guide.
- Maintaining control and flow of the workshop classroom at all times.
- Utilizing customer service representatives and volunteers as teaching assistants through active engagement to support and assist families throughout workshop.
- Creating a safe, inviting and motivating classroom environment.
- Ensuring that families leave the workshop
  - Knowing how to set up their computer.
  - Able to use the educational software provided.
  - Ready to improve their home learning environment.
  - Representing CFY in a professional manner at all times.
  - Working with CFY staff to continuously improve the CFY curriculum.

- Attend periodic training session in person or by phone.
